Dear Sir:

In response to the Office Action of October 10, 2001, please amend this application as follows:

IN THE ABSTRACT:

Please replace the Abstract in its entirety to read as follows:

d1 An integrated customer interface for providing telecommunications management to a customer at a browser involves a web server and a client application. The web server manages a client session supports communication of request messages received from the browser to a network management resource. The client application is integrated for use within the browser,
